»» Spotlight Your Community During SkillsUSA National Week of Service

SkillsUSA invites chapters to conduct and promote a local community service project during the SkillsUSA [National Week of Service](#), May 5-11. This event commemorates the founding of SkillsUSA on May 8, 1965. Connect with SkillsUSA via social media by posting photos of your activities online. Chapter advisors or officers can also provide a brief description of local chapter events [using this form](#). In return, we'll send a SkillsUSA logo gift item valued at \$15 to say thanks (while supplies last).

We encourage participants to publicize their projects locally. To locate contact information for your local newspapers, [use our SkillsUSA Advocacy Site](#). On the site, click on “Media,” enter your ZIP code, and choose up to six outlets at a time. Then, click on “Send a Message.” At “Compose Your Own Message,” fill in your contact information and your message and click send. To see the full contact information for each outlet, click on the name of the newspaper.

»» Share Your SkillsUSA Signing Day with the Nation

Chapters across the nation will celebrate SkillsUSA National Signing Day on May 7 by highlighting the value of the skilled trades while recognizing career and technical students for their dedication to career readiness and a career in the skilled trades. Year by year, SkillsUSA National Signing Day is generating awareness that the skilled trades offer rewarding career paths.

On Signing Day, SkillsUSA chapters will host students at signing ceremonies attended by administrators, teachers, elected officials, SkillsUSA advisors, family and friends. Like signing day events for student athletes who commit to a college or team, students will be applauded one by one as they sign letters of intent for a job offer, apprenticeship or advanced technical training.

Throughout the day, skilled trades supporters will share their encouragement for these future workers, so watch our SkillsUSA social media channels for some exciting updates. If you need resources, download the [Signing Day](#) toolkit.

All chapters are asked to share their events on social media and to submit their Signing Day photos, videos and stories to SkillsUSA so we can highlight your local events. [To submit photos and stories, upload them here](#). Use the hashtag [#SkillsUSANationalSigningDay](#).
